GETTING BOWN.

## WATNESBURG, PENNA. Wednesday, Nov. 27, '67.

The agitation in financial waters cannot always continue, The late troubling has had the effect of bringing the scum to the top, and there is every prospect of it being dashed high up among the drift, there to decay or be washed down again by the wearing States we have no reason to disbelieve.

The plan of the New York World,) that "the Radical delegates are of such utterly states we have no reason to disbelieve." waves of popular feeling. The plan Those prevented by Act of Congress unknown antecedents, and so untirely enrich themselves is easily discerned have no choice in the matter, and are publishing General Pope's order which in the movement to flood the country less blamable than those who exercise contains a full list of their names and with greenbacks in the hope of funding our debt and freeing us from taxation. Nothing can be further from the object named. The inflation of the currency would give these monopolists be to fight over again the loyal men in publication of a list of their names the opportunity of plundering the laboring classes to an extent never before realized. You have the example ters went smooth enough, the upward motion was pleasant and the senses of the nation recled with excitement on the gildy height of their money mountain. The descent which we have since been accomplishing is even more perilous. The base of the mountain—specie payment—we must reach by the street of the sense and reveals them to the light interest the process of its restoration to concern the process of the sense that that those bod, definition, which his hand. "Well, the victom, tenderly solacing the agricular distribution to the clergyman, complaint of definition, but no better than one just the victom, tenderly solacing t more perilous. The base of the mountain—specie payment—we must reach by tortuous windings if we would do
